

**CITY OF LOS ANGELES
DEPARTMENT OF RECREATION AND PARKS**

DATE: October 5, 2009

TO: ALL PARK RANGER DIVISION STAFF

FROM: 
JON KIRK MULKRI, General Manager

SUBJECT: REASSIGNMENTS AND WORK SCHEDULE CHANGES

As you know, our Department faces many challenges. Therefore, I have directed that changes be made to make the Park Ranger Division more productive, efficient, effective, and accountable. In order to align and enforce our work schedules to provide for maximum coverage during our core business hours, I have determined that the Park Ranger Division staff currently on a 9/80 or 4/10 work schedule need to be changed to a 5/40 work schedule.

Additionally, the Park Ranger Division will be divided into the following four Sections:

- Interpretive/Nature Education Unit,
- Mounted Unit,
- Park Patrol Unit, and
- Observatory Security.

The following changes will also be implemented:

- Albert Torres will be assigned to the Emergency Preparedness Group at Figueroa Plaza, 7th Floor;
- Anne Waisgerber will be the lead staff member for the Park Patrol Unit; and
- Sharie Abajain will be in charge of the Interpretive/Nature Education and Mounted Units.

See attached for specific details.

These work schedule changes and reassignments are necessary in order to better utilize limited resources and meet operational needs. The work schedule changes and reassignments will become effective on October 25, 2009.

I appreciate your cooperation and support. If you have any questions or concerns, please feel free to contact Assistant General Manager Kevin Regan at (213) 202-2633.
