Regional Election Week
And
Random Ballot Placement Lottery

02/29/08

The Neighborhood Council Regional Election Week and Random Ballot Placement Lottery was held today at the Piper Technical Center, located at 555 Ramirez Street, 3rd Floor, Space 300, Los Angeles, California, 90012.

The purpose of the lottery was to decide in what order the Neighborhood Council Regions would have their elections held during the last three weeks of June. The following are a synopsis of the results.

1) The Regional Election Week results were as follows:

Region 1 Election Week: June 9th-15th	Region 2 Election week: June 16th-22nd	Region 3 Election week: June 23rd-29th
Boyle Hts NC CANNDU Central Alameda NC Downtown L.A. NC Greater Echo Park Elysian Lincoln Hts NC Northwest San Pedro NC Wilmington NC	Greater Griffith Pk NC Hollywood Studio District NC McArthur Park NC Mar Vista NC Mid City WEST NC Mid-Town North Hollywood Wilshire Center / Koreatown	Encino NC Greater Valley Glen North Hollywood NE NC Northridge East NC Northridge West NC Pacoima NC Porter Ranch

Next step:
At the upcoming Regional Meetings, Neighborhood Councils will be voting for the preferred "day of the week" during which they would like to hold their elections (respective to the newly determined dates mentioned above). Each region will vote on one Election Day, for example: If the majority NCs (in a region) vote to have election day on Thursday, then all NCs in that particular region will have their Election Day on Thursday. We encourage the participating Neighborhood Councils to send one official representative with a ranked list of preferred days of the week. Each Neighborhood Council will be able to cast one vote for their preferred day of the week. Only those Neighborhood Councils present will be able to cast a vote.

Holidays during election weeks:
Fathers Day – Sun, June 15th

2) Additionally, the random ballot placement lottery is a means of assigning a random order in which candidates will be placed on a ballot according to their last name (per position).

Alphabet in order of placement on the ballot:

1. X	9. E	17. L	25. H
2. N	10. W	18. Q	26. V
3. M	11. A	19. Y	
4. O	12. U	20. T	
5. Z	13. B	21. K	
6. I	14. P	22. D
